Saves image with same name  
as Column "A" Field. Ex 1.jpg.  
I unedited and edited photo.

Returns to List view -  
It moves the Line Item to  
Completed tab. Continue down  
the List of Components.

When all Captures are complete  
there needs to be an upload button.  
Each Job Sheet needs to upload  
those photos into a specific  
Drop Box folder.
